

Lull Telehandler Parts

Lull Telehandler Parts - Lull telehandlers have been providing precision load placement ever since 1959. Whether the job involves landing loads on scaffoldings, transferring loads or positioning heavy steel, using a Lull telehandler would really help make the work go faster and easier. These units are complete together with the patented Stabil-Trak stability system to ensure operator confidence.

The Lull horizontal load placement system provides 80 inches of boom travel for precision placement capabilities. A wide range of optional accessories is available for Lull telehandlers to be able to help complete whatever task.
